

The Honourable Selina Robinson  
Minster of Housing

October 23, 2020

Dear Minister Robinson-

The CAC supports efforts by UEL residents to remove Area A properties from the Area D Plan.

The community has in good faith clearly communicated its opposition to the development of these properties as proposed under the Plan, but their input has been disregarded.

The period for comment on the Area D Plan bylaw must be extended through late November.

All references to these two parcels must be removed from the current Area D Plan.

Regards,

UEL Community Advisory Council Members  
Mojan Nozari, Judie Glick, Vanessa Young, Moony Qi, Claire Huxtable
